4) Sri N. Madhava Rao is now the Commissioner of Incometax and Sales Tax. Consequent on the integration of the Incometax Department with the Centre as from 1-4-50 Sri Madhava Rao could ~~not~~ have continued as Sales Tax Commissioner but the Sales Tax work is proposed to be added on to the duties of the Commissioner of Excise by a Council Resolution. The question of taking over Sri Madhava Rao as Incometax Commissioner by the Centre even after 1-4-50 is yet in an indeterminate state. The Government of India in the C.B.R. have already appointed an ad hoc Commissioner of Incometax, Sri Choudhury as Special Officer for Incometax with jurisdiction over the State of Mysore and the Union of Travancore and Cochin, and he is to take over as Incometax Commissioner over these two regions as from 1-4-50. At the Chief Secretaries' Conference and later also with the C.B.R. the difficulty caused to this Government in finding places for officers immediately who are to be returned to our State was stressed. It was put to the States Ministry and also to C.B.R. ~~and~~ that they might continue to have Sri Madhava Rao as Incometax Commissioner even after 1-4-50 for a period of six months or 12 months and that if this proposal was accepted it will have the double advantage of:

(a) giving this Government some time to find a suitable place for Sri Madhava Rao and

(b) so far as the Centre is concerned the officer who is to ~~take up~~ will be familiar with the work of atleast one out of the two regions (and that the bigger region) where the appointment of an outsider like Sri Choudhury would mean his having to acquaint himself with two strange regions ~~for him.~~

19) I consulted Shri Madhava Rao over the telephone and have ascertained from him that he is not at all interested in either of the two propositions. I agree with him, as the first proposition would mean his going out of Mysore to some distant place on a lower status and possibly on the same emoluments that he is now drawing in Mysore. The second alternative is also not acceptable as Shri Madhava Rao is getting Rs. 1200/- plus Rs. 200/- here and it will certainly be not of any advantage to him to go on Rs. 1200/- to a far off place as Rajastan. I have telegraphed to Shri Swaminathan that we are not interested in these two propositions.

20) It is for orders if Shri Madhava Rao cannot be posted as Director of Food Supplies which place is vacant for some time now and the question of trying to get Shri Madhava Rao absorbed in the Federal Department be closed.

MINISTRY OF FINANCE (REVENUE DIVISION),
New Delhi, the 8th February 1950.

Dear Mr. Srinivasan,

Please refer to your demi-official letter No.5203-5204/CB dated the 17th/18th November 1949, addressed to Mr. N. Dandeker, a copy of which has been forwarded to me by the Ministry of Finance for necessary action. I appreciate the anxiety of the Government of Mysore to have early proposals for the eventual withdrawal of the officers belonging to the Mysore Civil Service now working in the departments which will be taken over by the Union Government with effect from 1st April 1950. As observed by you, the actual withdrawal of these officers should take place only gradually so that the working in each of the departments may not be dislocated; but every endeavour will be made to release such of them as have to be released as early as practicable. In view of the considerable amount of spade work that will have to be done and the various procedural details settled, so far as income-tax administration is concerned, it is considered necessary to appoint an officer, conversant with our law and procedure, sufficiently early, so that he may, in consultation with your Government, fix the details for carrying on the administration with effect from the date on which it is proposed to be taken over by the Union Government. For this purpose, the Central Board of Revenue have decided to appoint Shri H.C. Chowdhury, an officer who has considerable experience in the Income-tax Department, on special duty in the status of a Grade II Commissioner with effect from the 15th of February 1950. He will have his headquarters at Bangalore. The intention is to appoint him as Commissioner of Income-tax for Mysore and Travancore-Cochin with effect from 1-4-50 and release Mr. Madhava Rao for service in his regular line. The Board will be grateful if you will kindly arrange to afford Mr. Chowdhury all facilities for doing the preliminary work, such as fixing the number of posts, arranging accommodation for the office, taking charge of the equipment etc. In regard to the withdrawal of the other officers mentioned in your letter under reference, I shall write to you again as soon as the special officer sends his report after he discusses with you.

Subject:- FEDERAL FINANCIAL INTEGRATION ---

Withdrawal of personnel belonging to the Mysore Civil Service and the Mysore Civil Audit Department from "FEDERAL" Departments.

I am desired to state that as a result of Federal Financial Integration due to take effect from 1st April 1950, and of the Government of India taking over the administration of a number of Federal Departments in Mysore State, the question has arisen as to the position of certain Officers belonging to the Mysore Civil Service and the Mysore Civil Audit Department who are working in these Federal Departments.

I am to enclose herewith a statement showing a list of such Officers with particulars of their qualifications, salaries, allowances, etc.

This Government is anxious to have proposals in train for the eventual withdrawal and posting of these Officers elsewhere, and in order to have a well-planned programme in this behalf, they would be glad to know what arrangements the Central Government have in view for manning these posts.

It is presumed that the actual withdrawal of these Officers can take place only gradually, if the work in each of the Departments is not to be dislocated and this can be done only when the Officers to take the place of the Officers to be withdrawn are posted by the Central Government and are ready to join.

I am to say that it is proposed to withdraw the incumbents mentioned in the list on 1-4-1950 or preferably according to a staggered programme in the course of a period of four to six months beginning from 1st April 1950.

Meanwhile, as the Central Government has doubtless to get their plans ready to post men, it is presumed that they may want the existing incumbents to continue to hold these posts even beyond 1st April 1950, till the Central Government is in a position to post their own men. In the circumstances, the salaries, allowances, etc., of these Officers will of course be met by the Centre after 1-4-1950 till they are actually displaced by men from the Centre within a known and pre-determined period.

P.T.O.

I am to request you to give your early consideration to this question and to advise this Government, what steps, if any, on their part are required to withdraw the Officers working in the Federal Department, the actual stages by which this may be done and other details in this behalf.

An early reply is requested.

Yours sincerely,

To

The Secretary to the Government of India,
Ministry of States,
NEW DELHI

Sir,

I am directed to state that the Ministry of Finance (Revenue Division) have apprised this Government that the Central Board of Revenue have decided to place Sri H.C.Choudhury on special duty with the intention of appointing him as Commissioner of Income-tax for Mysore and Travancore-Cochin with effect from 1st April 1950 and to release Sri N.Madhava Rao, the present Commissioner of Income-tax in Mysore, for service in his regular line under this Government.

At the Chief Secretaries' Conference held at Delhi on the 24th and 25th February last, the difficulty that would be experienced by this Government in finding places for officers belonging to the Mysore Civil Service now working in the Departments which will be taken over by the Government of India with effect from 1st April 1950, was brought to the notice of the States Ministry and the Central Board of Revenue, and it was suggested that the Government of India may continue to have Sri Madhava Rao as Commissioner of Income-tax even after 1st April 1950 for a period of 6 or 12 months.

I am to point out that this proposal, if accepted, will have the double advantage of giving this Government some time, which is

badly needed, to find a suitable place for Sri Madhava Rao, and of giving the Government of India the services of an officer who is already familiar with the Income-tax Administration of one of the two regions - the major region - , comprising the new unit of Income-tax Administration. The advantage of having an experienced officer with a thorough and intimate knowledge of local conditions needs no stressing, and in view of the considerable amount of spade work that will have to be done, necessarily in consultation with this Government, the need for continuing the services of Sri Madhava Rao as Income-tax Commissioner would seem to be of paramount importance.

I am to commend this proposal to the Government of India and to request them to consider the desirability of continuing Sri N. Madhava Rao as Commissioner of Income-tax in Mysore in association with Sri Choudhury, if necessary, for another year or so.

The Government of Mysore will be grateful for an immediate reply in this matter.

Yours faithfully,

Sir,

I am directed to refer to your letter No. 11706/C.B., dated 3rd March 1950 on the release of Mr. N. Madhava Rao from his present appointment of Commissioner of Income-tax, Mysore and to your subsequent telegram dated 14th March 1950 on the same subject.

2. I am to say that the Government of India regret their inability to continue Mr. Madhava Rao as Commissioner of Income-tax, Mysore as they have decided to have a single Commissioner with jurisdiction over Mysore, and Travancore-Cochin and have selected an officer for the post. In the circumstances and as Mr. Madhava Rao is not agreeable to remain on deputation with the Government of India with the status of an Assistant Commissioner of Income-tax, the services of the Officer will be replaced at the disposal of the Mysore Government with effect from the 1st April 1950.

Yours faithfully,

G. Swaminathan

The Secretary to the Government of India,
Ministry of States, New Delhi.

I am directed to acknowledge the receipt of your letter No.FFI-2(MY)/49 dated the 17th March 1950 intimating that in the circumstances explained therein the services of Sri N. Madhava Rao, Commissioner of Income-tax in Mysore will be replaced at the disposal of this Government with effect from the 1st April 1950 and to state that Sri Madhava Rao has since been posted as Director of Food Supplies in Mysore,

Yours faithfully,

23/3/50

Chief Secretary to Government.

The official expression of the policy of the Government of India with regard to the withdrawal of Mysore Civil Service Officers serving in the 'Federal' Departments will be found set out in the D. O. letter No.FFI-2(MY) dated 22-11-49 from the Secretary to the Government of India, Ministry of States, addressed to our Chief Secretary in reply to the latter's D. O. letter No.5203/C.B. dated the 17th November 1949 to Sri N. Dandeker.

The above was also confirmed by Sri K. Govindan Nair, I.T. Member, Central Board of Revenue, during his visit to Bangalore in December 1949. The present Commissioner of Income-tax in Mysore who is a Mysore Civil Service Officer was at the same time given to understand that he would in all likelihood be continued under the Government of India on a 'deputation basis' after 1-4-1950.

Contrary to the above, however, Order No.C 59 (2) Adm. (I.T.) 50 dated 9-2-1950 issued by the Deputy Secretary to the Government of India, Ministry of Finance (Revenue Division) has been received posting, among others, Sri H. C. Chowdhury, Assistant Commissioner, Bombay City, as Special Officer with the status of a Grade II Commissioner of Income-tax for taking over of the Income-tax Administration of Mysore and the United State of Travancore and Cochin. If this means that Sri Chowdhury will be Commissioner of Income-tax in Mysore after 1-4-50, Sri N. Madhava Rao, the present Commissioner of Income-tax, has to revert to his permanent post in the Mysore Government - which in turn will involve reversions seriatim. It is for considera-

tion

consideration if, as this Government has been officially given to understand in the letter of the Secretary, States Ministry referred to above, the Government of India may not be asked to retain Sri N. Madhava Rao under them as Commissioner of Income-tax till he can conveniently be absorbed or for one year after 1-4-1950 at least.
